**Delphinus Jazz Presents
Music on a Wonderful Afternoon**

St. John's Anglican Church, 325 Sandhill Road, Kanata

We are pleased to have our first jazz program in our series with Delphinus Jazz presenting a number of pieces, at least some of which you will recognize, in a

trumpet and flugelhorn will certainly make you feel that is indeed a wonderful afternoon.

Our music program is soon coming to an end this season with only one remaining concert (a wonderful Soprano Opera Singer - date will be finalized by the 13th) but I'm already looking for groups that will continue to entertain us here in our community for our next year. If you know of a group that may be interested in joining us please email their contact information so that I can consider having them play for us.

Admission remains as a free will cash offering. We ask that your donation reflect the caliber of the event as it used to pay the musicians and cover expenses. To ensure a good seat plan to arrive by 2:15. As well as the parking lot there is free parking on Sandhill and bus service a block away.

The 2025-2026 series will begin in September. As soon as we have the first four concerts confirmed I'll send out an email to provide the dates and type of concerts so you can mark it in your calendar.
