

Using the Ottawa Police Crime Map

Friday, March 06, 2026

Introduction

To keep up on Crimes in Ottawa (or just in Beaverbrook), the City of Ottawa Police has a Crime Map website, where you can see crimes/incidents that have happened on an interactive map, which you can filter in various ways, including dates.

It is interactive. You can zoom in on any area of Ottawa, filter by dates, and once you find an incident of interest, click it for details.

Note: the exact address or a crime/incident will not be shown, only the closest street intersection

[Ottawa Police Maps](#) – shows map types, one of which is [Crime Map \(Year-to-Date\)](#)

[Link](#) to the image, below, which zooms in on Beaverbrook and is filtered from Jan 1, to Mar 5
